CCAC's Region 14 Education Session in Mountain View

"I have attended several sessions of the MMCA over the past three years and have found them to be on-topic and very enriching. The trainers are actively working in the government field and are up to date with today's technologies and practices. The sessions have given me more insight into leadership qualities and aspects than I ever expected. I have been extremely pleased with the training I have gained from attending the MMCA and have had much success implementing those new skills."

Virginia J. Bloom, CMC - City of Lake Elsinore

"The MMCA is a valuable resource for seasoned clerks like me that won't settle for what they have already learned, but are always looking for what's next. In this ever changing 'clerk' world we live in, I think it is imperative for City Clerks to always seek continuing education and the courses offered through MMCA are challenging, innovative and rewarding."

Lisa Thomason - City of Wheatland
